- Successfully graduated over 400+ students who currently work in top giant (locally and globally) companies in the Airline, Airport and Travel Firms.

## **Get to know Pearson BTEC**

The Business and Technology Education Council (BTEC) is a provider of secondary school leaving qualifications and further education qualifications in England, Wales and Northern Ireland, originated in 1984, over a million students choose BTEC every year. Why? Because it works for everyone. It works for learners developing the skills and knowledge they need to be successful, for teaching professionals preparing their students for jobs of the future, and for employers looking to recruit teams who can hit the ground running.

Let's unlock a world of opportunities with a globally recognized diploma from the UK's largest awarding organization. Make a BTEC work for you.

BTEC qualifications are professional higher education qualifications, recognized as equivalent to the first two years of a bachelor degree. Completing a BTEC qualification gives you the choice of continuing your studies at home or abroad.
